

“Insight in ACG’s Oral Dosage Technolog”

A one-day virtual training program- Report

Ponda Education Society’s Rajaram and Tarabai College of Pharmacy organized a **one-day virtual training program** titled **“Insight in ACG’s Oral Dosage Technology”** in collaboration with **ACG, Mumbai**, on **23rd September 2025** in the college auditorium.

The program commenced with a warm **welcome address by Dr. Parizad Elchidana**, Principal Technical Consultant, ACG, followed by introductory remarks from the program coordinator, **Prof. Celina Nazareth**, Principal, PES’s Rajaram and Tarabai College of Pharmacy.

The training sessions comprised a series of enriching lectures delivered by distinguished speakers. The topics covered included the **evolution of capsule manufacturing, key equipment involved in the process, GMP compliance requirements**, and an **overview of packaging materials, including films and foils etc.** The program was specifically designed for **Semester V and Semester VII B.Pharm students**, offering them valuable industry-oriented insights.

The event concluded with a heartfelt **vote of thanks delivered by Dr. Swati Keny**, Co-Coordinator, PES’s Rajaram and Tarabai College of Pharmacy, acknowledging the contributions of the speakers, organizers, and participants.
